**HELP US PROMOTE THE SICKLE CELL VIRTUAL RUN/WALK THROUGH SOCIAL  
MEDIA AND WORD OF MOUTH**

## **PLACE:**

Brandywine Park or a local park near you.

## **DESCRIPTION**

We are in this fight together for Sickle Cell, but we can't be together now. Stay connected to the TOVA by supporting the James Faucett III Sickle Cell Virtual 5K Run/Walk.

We invite you to still participate where you are by running or walking for 20 minutes during the weekend of September 26-27, 2020.

All proceeds support TOVA Community Health, which provides comprehensive holistic and compassionate care and outreach to individuals with complex medical conditions like sickle cell anemia/trait.

We invite everyone -- runners and walkers, old and young -- to participate and support the TOVA community! Register today, donate on behalf of a sickle cell warrior and spread the word to your friends and family!
